Plan on having a ketchup conversation with me at the end of the reduced work day.

To include aldicarb, SF, the dummy epi data on coffee, CG 17/18, KMD status, and other things I want to talk about.

David.

Subject: Happy Thanksgiving - Early Dismissal

Dear Colleagues,

We wish you a wonderful Thanksgiving, however you decide to safely and happily enjoy it this year!

For those of you who are working today, November 25, please feel free to end your workday two hours early. This is in line with the agency administrative leave policy and should be recorded as administrative leave in People Plus. You can adjust your timecard next week to reflect this leave.

Please see my message and so much more in the week's issues of our bi-weekly OCSPS newsletter, *Musings*, which is attached and chock full of recipes and Thanksgiving reflections.

All the best to you and yours,
Alex
